A Note To Readers

This Heartlight symbol throughout the book denotes *God speaking from His heart in prophetic word through His handmaiden Phyllis.*

**PROPHECY: I WANT TO BLESS MY PEOPLE BEYOND THEIR
WILDEST DREAMS** (Prophetic Word to Phyllis from the Father's Heart)

I want to bless My People beyond their wildest dreams. I am going to bless that faithful one who is diligent in My Word and is a Doer of my Word.

I will bless you as you might delight yourself in Me. Delight yourself in your Lord. Commit all your ways unto Me and I'll give you the desire of your heart.

There is an army of God's people marching forth to see victory in every situation. Get ready to march together - each in step with the other in perfect harmony of My love and Spirit. Know the rank and calling given to you. Know the order I ask you to step in. I do not lead you out in confusion, but in trust.

My army shall go forth victorious and the battle shall be victorious. Pattern your life after your Lord Jesus. **He is the head of His great army.** Every hand, finger, leg, arm - each part follows along under the Head of the Body, Jesus, so follow the Lord.

Let the Joy of the Lord be your strength today.

I love you,

Your Father

THE SEAS WERE CALLING PHYLLIS AT THE AGE OF 18

Fifty-seven years ago, as a young girl of 18 in 1953, I was walking the beach of Oceanside, California. For hours, I stood looking far out into the Pacific Ocean. It was so wide and deep. I stood wondering what lay beyond. I felt a drawing, a pulling, and a deep spiritual knowledge that someday I would cross this sea to an unknown future awaiting me. I looked at the world map and discovered Hawaii was directly across the sea from Oceanside, where I stood on the beach.

Hawaii is where I went 15 years later as a young married lady, 33 years old, with three children and one more on the way - and I've been blessed to live here for 42 years.

In my heart of hearts, I believe God intended me to come like a missionary to Hawaii at His call.

♥ PROPHECY: EVEN AS I SEPARATED THEE

(Personal prophecy to Phyllis where she moved to Hawaii in 1968-given by Pastor-Prophet Bill Giersdorf)

Even as I separated thee and put thee into this place across the waters, even in the Islands, I shall have thee to bring forth a fruitful harvest there. I say to thee, "Be bold in the spirit." Yes, be bold in the gift wherein I have ministered to thee. For I have given thee an utterance not like that of other men, but yea, a new and vital word that ye may speak forth life. Yea, life even unto the dead. They who are in darkness shall see.

Yea, speak forth boldly, according to the working of My power. Let no man cause thee to faint. Yea, I would rather that ye prophesy in power and speak forth the words of the Living God, in the fullness of His power. Seek thou My face for thou shall enter into a greater utterance than that which thou hast known before and the words which proceed out of My mouth surely shall come to pass.

Yea, thou shall see the bones be gathered together. Not only so, but the skin and the flesh be gathered upon them. Yea, and thou shall speak to the winds to breathe upon them, that they might live; and yea, shall I, the Lord, breathe upon them My Spirit. Even as I have set thee in this place, I say, thou shall see a greater work than that which thou hast seen.

Confirmation: *These same prophetic words were spoken by Pastor R. Shan at my third time of being ordained as a prophetess in 2010.*

HAWAII'S PEOPLE- STERLING QUALITY (Phyllis' Dream)

One night at the age of 18, I had a dream that I was on a beach on my knees, digging with my hands in the sand, looking frantically for lost treasures. After finding them, I was so excited.

I had found pure sterling silver utensils, knives, and forks - all priceless treasures, all beautifully made- practical, useful, eating utensils that were priceless. There they laid on the sand shining in the sunlight.

I interpreted the dream as to why I've been living here in Hawaii these past years. The priceless treasures of silver I found were **Hawaii's people.**

Hawaii's people are not only beautiful and of sterling quality, but they serve God wonderfully as "useful, beautifully shaped utensils" in the hands of the Lord. And they know how to **royally feed God's people at His table** - plus, **they shine out like silver in the bright sunlight.**

They reflect God's **"Aloha Sunshine to all of the world."**

♥ PROPHECY: MY PEOPLE, YOU ARE MY MOST PRECIOUS

TREASURE ON EARTH (Prophecy to Phyllis from the heart of the Lord to the people of Hawaii)

My eye is upon My people. I love you. You are the precious treasure buried deep within the ocean. You know how much treasure hunters prize old things they find hidden deep in the waters?

Well, you My people, are like My treasures buried deep in the depths of the earth. You shine like pure gold in blue-green waters. So often, My children, I hold you close to My heart like treasure found.

I treasure you above all that's in your lovely world. You've been sought and bought with a handsome price. My dear Son, Jesus, paid the price on Calvary, that I might claim you as My own.

In My Heavenly Kingdom, I have streets of gold that look like a sea of shining glass. I have lovely stones, jewels, and pearls on the gates of Heaven. But My dears, there is no more precious treasure on earth or in Heaven than My people. Someday soon, after I've found all My buried treasures, we'll be together.

You'll lean your weary head on My breast and find sweet peace and perfect rest. You'll look into My eyes, and all the years of pain will be forgotten. All the heartaches, hardships, and sadness of people departed by death will be washed away in the absolute closeness of our being together. Lean unto Me, find your rest now and be blessed in your soul, spirit and heart. I love you so much. I am waiting.

Your Heavenly Father

♥ PROPHECY: A SPIRITUAL TSUNAMI WARNING: GET UP TO HIGHER GROUND SPIRITUALLY

The Lord revealed to my spirit in January 2002- a great spiritual wave and tsunami is headed towards the Hawaiian Islands. If you don't know, a "tsunami" is a very weird wave of unusual proportion and does a lot of damage to coastlines.

When this phenomenon happens, people tend to stare and look far out into the ocean because the water withdraws and leaves fish flapping on the vacant beach. The air is peculiarly odd and one becomes entranced to watch what's happening, not realizing there's a huge wave of mighty destruction about to hit!

The Spirit spoke: **"The wave coming in is a great spiritual wave of God's love- coming in to do great destruction to Satan's kingdom of doom and gloom."** Love will overcome evil every time. After it washes in, there will be much "spiritual construction" and "spiritual instruction" and God will touch all the people of our islands by healing the brokenness of spirits and bodies with His mighty roaring rush of "Living Waters", waves of His glory - coming in, one after the other.

EVEN CENTURIES AGO DID MY EYES FALL UPON THE PRIZE OF THE OCEAN (Given by a native Hawaiian)

The Spirit of God would speak to His body and say: Despise not that which you do not understand. Listen to Me and understand My purpose for this place. Yea, even centuries ago did My eyes fall upon the prize of the ocean. My heart was turned with compassion. I sent My people here. Yes, precious in My sight was their blood that was spilled to come to this land to bring My message to proclaim the truth that I have. I did raise up men from this place and My Spirit did wave upon this people. I did break out upon them with power. I did forgive their sin and make this land a Holy Place.

"And I shall do it again," says the Lord. "I shall do it again and I shall explode upon them with the power of My Spirit. I am hungry for My people to once again respond that this place would not be a by word, but it would be a polished stone among the Islands. Yea, I have sharpened an arrow in your hand - will you work for Me?"

"If I have chosen this place to be the tip, allow Me to sharpen you," says the Lord.

PROPHETIC EXHORTATIONS

GREAT WAVES OF GOD'S AWESOME LOVE, MERCY, GRACE AND HEALING ARE ON THE WAY - PEOPLE OF HAWAII

It will be like a "Royal Flush" of living healing waters flooding over people's lives, clearing out all of yesterday's debris. Washing us clean through the very power of His magnificent shed blood- God's people will be glorious and victorious, spilling over into other broken lives, bringing life back into broken people to heal the broken hearts, minds, souls that are dead to Christ.

God will show up and show off His magnificent mercy to the lost and forgotten. People will not be able to hold off His glory flow. They will be washed clean, made brand new as they walk in the flow of His love. All things will be made new. You can't escape His love. **You will be drenched in His glorious Holy Spirit flow.**

These wondrous wonderful billows of His love will come to literally "shake up and wake up" all the peoples of the islands. These waves will rise up powerfully to overthrow the kingdom of the enemy. Love will overthrow the kingdom of Satan's gloom and doom and darkness. He will literally be drowned in the overflow, and all his plans defeated.

For such a time as this, God will reign in His precious Anointed and Appointed Hawaiian Islands. These tremendous waves of His Royal Flush will come to overcome and pull down all the strongholds of the enemy based here. It's God's time now to wake up all His sleeping beauties... the Army of the Lord.

Repentance will be on the lips of people- crying out because of the grandness of the Father. The Blood of Jesus will flow out to wash men and women clean from their sins.

God's army in Hawaii is raising up to join the other armies of the Lord in the earth. God's love will be victorious and prevail and overcome many evils. He will shower these Islands with good things and prosper the people as they trust in the Lord with all their hearts.

Great spiritual "*instruction*" will flow, and great spiritual "*construction*" will follow.

Broken people, broken hearts, spirits and minds will be joyously made whole. It will be a marvelous time to see, a wake-up call to all saints and sinners alike. It will be one victorious time for people to respond quickly to the Holy Spirit's call to be part of the glorious army of the Living God.

We will, as the true body of Christ, see battles won victoriously. Miraculous signs and wonders will follow men and women of God. Things will happen before our very eyes.

All praise and glory will be directed to our LORD of lords, and KING of kings... as it will be not one man's doing, but all the HOLY SPIRIT working.

As Cindy Jacob- leading International prophetess - once prophesied over our people while she ministered here in Hawaii,

HAWAII WILL BE THE FIRST ALL-CHRISTIAN STATE.

I believe the Love of God to be seen over these beloved Islands will amaze all. Hawaii will be blessed far beyond our understanding.

♥ PROPHECIC WORDS SPOKEN OUT LOUDLY WITH STRENGTH TO THE BODY OF CHRIST *(By Prophetess Phyllis Ramia)*

For surely the Spirit of the Lord shall begin to shake all that can be shaken. And yea, those things that have held you in bondage for many, many years, He shall shake you loose from. You shall be as free, set free from every bondage that held you in the past and you shall be unlatched from. You shall be released from them so that your mind, your soul, and your spirit can be prepared for the things that God has ahead for you. Yea, you shall drop all these weights that hold you back from running the race.

Yea, you shall run the race of the Lord. You shall be swift. **For the Spirit of God shall anoint these Islands as never before.** A mighty wind shall come up over these islands and a wave of His revival will sweep in over His people; and yea, you will be bathed in that wave.

You will revive yourself in that wave. You shall revel in that wave. You will enjoy it. You will bathe in the blood of Jesus as you have never bathed in His blood before. You will hear Him as you have never heard His voice before. You will know the living God and the people of the islands will know that God lives. There will not be one soul that will not hear the revelation of the Lord in these islands- and in all these islands, not just one.

Would I wash a wave over one island and not on another? But I shall cleanse the Islands of the demonic spirits, and those things that

hover over and cover over shall break open and the **Spirit of God shall come down, and the PRESENCE OF THE LORD will come upon you and you will prophesy.**

And you will see God deliver people out of their sins quickly. Therefore, Beloved, prepare thyself even this day as the bride prepares herself for the wedding day. Clean up the garment, take out the spots, iron out the wrinkles. Give your garments to the Lord to make yourself ready first before you go forth. For surely you shall do a work in the earth and the Lord shall be glorified through you, and He shall be magnified through you and all your work.

Keep clean, keep in unity:

**"ONE HEART, ONE MIND, ONE HEAD-
THE LORD JESUS CHRIST"**

♥ PROPHECY: GLORIOUS CLOUDS OF GOD'S MERCY AND LOVE
RAINING DOWN KOOLAU MOUNTAINS

By Prophetess Phyllis Ramia, 2001

As I drove over the Likelike Highway one bright morning about to go to minister to a group, the Lord pointed out to me the huge Hawaiian mountains. I always called them "very awesome, spooky mountains" because I lived under them in Kaneohe for 42 years.

He said to my spirit, "You see those ridges up high", (there are many sharp-pointed ridges left from volcanic action), He continued, "Well I see these many ridges like the churches in Hawaii, and My dear, many are like 'rigid, upright churches'." "Well," He continued, "I'm going to send a glory cloud to cover these rigid mountaintops and I'm going to rain down a glorious revival. My Spirit will touch every church, then it will flow on down (like we see during wet times- 16, 17 waterfalls between the mountain ridges) into the valleys below, which will be like pools of blessings and pools of refreshings to My people in Hawaii."

People, I see a revival and people will quickly respond to God's Spirit of miracles and Glory and be saved. So many will run into the churches to find salvation, healing and deliverance; and all pastors seeing the great overflow will be required to give them help. Thereby, they will feel their own need to come into God's glorious healing revival.

God loves His Church and His glorious people. It will be a marvelous wake-upcall to the saints and sinners.

A BITTER ROOT IS AN OPEN DOOR TO THE ENEMY -

Prophecy by a native Hawaiian to People of Hawaii

The Spirit of the Lord would speak unto this group and would say that the root of bitterness does lie deep in the hearts of the Hawaiian people and it's a root that is an open door unto the enemy. And the Lord would say that I am raising up those that would be received by the Hawaiian people, that would minister unto the hurts- that unity might come.

For surely there is that which must be repented of. There is a hurt which would have those of My house who call themselves Hawaiian to repent of their own bitterness, to root out that which is divisive, root out that which stands against the unity of the body of Christ. Those who would do this shall I use in a mighty way- then shall the power of unity come upon them and they shall speak healing unto their brethren and their sisters and the unity and the healing that must come shall happen through them.

The Lord would speak unto His people, and say, "Search your heart. Search your heart for that root of bitterness, for that offense that is held unto others, even those that have done wrong to you. Be cleansed on this and I will use you as one who would bring healing to this land between groups on this nation", says the Lord.

♥ PROPHECY: AS MY SPIRIT WASHES OVER YOU LIKE A WAVE

My Spirit washes over your life daily like a cleansing wave. My Spirit is sifting and shifting the sands on your beach continually. Let My Spirit move over your shoreline every few minutes. My Spirit will clear and clean the debris off your beach and you will become like a smooth white beach for others to walk on. Sometimes a large wave will come and sweep off years of debris piled up on your shoreline. This is good for you.

Release yourself to the great and mighty pulling of the tide of My Holy Spirit. Trust Me to move over your land gently by My Holy Spirit waves. Be still and rest your heart. As you become quiet, you'll hear My voice and learn from Me. I'm moving all the litter in your life day by day, wave by wave, a bit at a time. Very soon now, you'll see many treasures from sunken ships lost at sea wash up onto your clean white beach.

As the tides of My glorious revival sweep on over your shorelines, you'll glean many precious treasures of My heart. These treasures are like beautiful seashells. These seashells are people and you'll pick them up, wash them clean. They shall be My treasures in My earth, so let My Spirit come, let My waves move in and out daily to renew your land to keep it clean.

Last of all, I want to remind you that your strength must come from the Lord's mighty power within you. ~ Ephesians 6:10 LB

PROPHECY: THE STORMS SURROUND YOU – Prophetic Speaker Unknown

Even as you have wondered about the storms surrounding you, and as you have wondered about the intensity of the trials, yea, I have protected you. I am doing a work of which no man knows, for I am preparing you to become as tough as iron on the outside, and gentle and compassionate on the inside that you might work the works of God. I am making you so you might not be embarrassed in your obedience to Me, that you might not flinch when accusations come, nor faint with the heat of the battle, nor grow weary with opposition.

Therefore, stand fast in your God and let Me do the work I long to do, for I have chosen you for a higher calling, and a nobler mission than what has been “normal” in the past.

My desire for you is that you be immovable, strong as iron that will not bend under pressure from demon or man, enemy or family. So fear not the trials for I am testing your mettle and trying your inner resources, and I am tempering your spiritual substance to cause you to have spiritual stamina and strength beyond what you have had in the past, for the past strength will not be sufficient for future days. Yea, I am equipping you to run and endure.

So fear not the fire for I will be with you and my fire brings the purity for which you have cried. And fear not the fire, tests and trials around those you love, for I am doing a work here and there. Now is the time you must learn to stand. Though winds of adversity beset you and beat against your house, I say, shore up the beams, reinforce the rafters, strengthen the walls. Brace your spiritual structure against the winds so you will stand. Be confident, in your God, for I am with you.

♥ PROPHECY: KEEP YOUR EYES FASTENED ON ME

Beloved child, keep your eyes fastened on Me, your Lord. Get your eyes back on to Me and not men's ideas. I have promised to see you through. You can count on My Holy Word. It holds up for sure through every trial and temptation.

You will be tested. You are being tested. I am putting you through the school of fires. I am purifying your life in the hot flames of trials; yet, I am there with you in the heat of the flames. Many times you will melt down like one "poured out", but I am there beneath you.

I hold your life in My hands. You are caught by My own hands. Not a drop of your perspiration is lost. I see every drop of sweat and tears. They are precious to Me.

I have been where you are going. I have had the same taste in My mouth that you're experiencing. I didn't want to taste the "gall and bitterness" of death itself. Yea, I asked that the cup of bitterness might be passed on by Me, but thy will be done, oh God." I took the cup and drank it all. I went through the fires for you. I tasted the bitterness of death and hell; yet, I overcame death and its sting - so shall you.

Fear not, My little one, it is a day of large giants looming up in the land, but I have My Davids. They shall slay the wicked one. I will be your strength, your joy, your all. Run onto Me, My child, hide and rest from the storms.

I love you,

Your Father

♥ PROPHECY: THIS IS THE DAY I AM RECRUITING MY PEOPLE

This is the day I am recruiting My people. They are finding their places in the Body of Christ. Everyone has a place to which they are called - a vision, a goal.

My army works together. Find your place, hear your call. I am calling My people into action, into battle today. The battles will be victorious as you trust in Me.

I am the Captain of the battle. I am there to fight for you. I give instructions through My Word - how you are to fight the enemy. He cannot utterly destroy you for I have already won the victory.

Stand in Me, Your Lord

"JOIN GOD'S ARMY"

Both men and women are hearing God's call to prepare for war. Join God's army - we all have been inducted into God's army. All Christians are called to fight the good fight - standing strong together, shoulder-to-shoulder to wage war against Satan.

ARISE, MY PEOPLE! THE WAR CALL IS OUT!

Arise, My people! Let your light shine for all the nations to see for the Glory of God is streaming from you. Darkness as black as night shall cover all the people of the earth, but the Glory of the Lord will shine from you.

Isaiah 60:1-2

WE ARE AT WAR

Beloved, we are at war with the enemy. Satan hates God's people. They have been chosen to do a mighty and powerful work in the earth. Satan is mad. Like a mad dog, he wants to tear away at the godly - eat them up and spit them out- **but he can't!**

Jesus Christ won the victory on the Cross for every Christian. You need not fear. Beloved, you will win the battle. The war has been raging since we took the forbidden fruit. A battle is going on even in the heavens.

God is hearing the righteous man's prayers. He answers and sends His warring angels and we are encouraged. Though it looks and feels like we're not winning at times, **we are winning** - for the battle is the Lord's, beloved.

Stand in holiness and righteousness. Keep clean and clear and the joy of the Lord is your strength!

GOD IS RAISING UP AN ARMY

Today, a great army of God's men and women are answering the call to war. The battle ahead will be victorious because we know our enemy, Satan, is already a defeated foe. Christ defeated him on the Cross.

ENLISTING AND DRAFTING

Our great Commander-in-Chief, Jesus Christ, is enlisting new saints daily and drafting older "true and tried" saints into this fight for holiness. Older saints are being rehired, refired, recharged, renewed, rejuvenated, and resurrected with His glorious NEW LIFE AND POWER for the hour.

Jesus Christ is choosing and raising up His army of anointed generals, captains, sergeants, and foot soldiers. These are faithful men and women who have been seated with Christ and serving at the foot of His Cross for years now and are now being enlisted, prepared, and promoted for war. Some are even called to go on overseas duty.

This army will have Christ's "DNA" - His Dynamic Nationwide Authority as fully approved, appointed, and anointed Apostles, Prophets, Evangelists, Pastors and Teachers.

There are no deferments in this war - no AWOL! No one can get "away without leave."

NO MAN IS AN ISLAND

No man is here in this earth is an island all to himself. I planned for one person to touch many. I have a body of people here on the earth. Each may be in a separate church or different ministry work - one an apostle, one a prophet, one a teacher, one a pastor, one an evangelist - but all work together for the same purpose - edification and comfort in My body.

Words spoken by My Holy Spirit bring forth life, but words spoken hastily without My guidance or leading can cause death and confusion. God anoints His Word through many prophetes, not just one. Many teachers, many counselors - you'll always find I give My secret wisdom and confirmations to many in the body. It may seem like a new revelation to that one man or woman receiving it, but I am telling others, too, all over the earth - **the same revelation.**

That is why prophets judge prophets. I will always confirm My word, my revelation. Always have many confirmations before you move too quickly on any decision. I will send you a word of confirmation - three times at least. Don't move impulsively on all you hear.

I will give you ideas, but wait- ponder them and check them out. I give you good godly counsel in the body of Christ. Esteem those who labor among you highly in love for the work's sake.

Warn the unruly in spirit, those that breach the rules and run with it. Love, commitment, and honor - a good reputation and name are highly visible and important. I am patient in training you. You be patient with others.

It's harvest time beloved ones. The harvest is ripe - the laborers are few - time is short. And the Lord of the Great Harvest is thirsting for more souls to come unto Him.

Many are called and few are chosen - only because the few choose not to answer the call. God is calling - every man, woman, boy, girl - "Come up onto higher ground - now - choose to be in the Army of the Lord.

Put on your helmets of salvation. Put on the breastplate of righteousness to protect your heart from the fiery darts, the slings, and the arrows coming to destroy God's mighty victorious army.

Tighten up your belts of truth - the time has come to be strong. Go forth - with the Sword of God's Word in our mouths and the Shield of Faith to protect each other.

We're in the Army of the Lord now.

JUST LIKE 9/11

Just like in the 9/11 time, when people came together to work together to help heal and harvest souls.

Get ready. Be prepared to follow our leader and commander of God's Army - the Lord Jesus Christ. It's a time for His kingdom people to come forth and excel, and not be afraid to fight the kingdom of Satan's darkness and gloom.

It's time for the pure light to show up. For we are to a righteous, loving army to follow our King Jesus. He is coming back soon.

Just like the 9/11 woke everyone up to work together to "harvest souls", so this time will be to work together. A time for His kingdom on earth to come forth.

Get ready beloved.

JESUS IS COMING BACK SOONER THAN WE THINK!

♥ PROPHECY: DON'T BE DISCOURAGED

Don't be discouraged, don't be afraid
For this is the day the Lord has made.
Don't be distressed, don't be depressed
For this is the day the Lord has blessed.

Trouble may come, trouble may go
This is all part of our lives' ebb and flow
Nations may crumble, nations may fold
But this is the day to rejoice (in the Lord) we are told.

We will be tested in every way-
Just stand in God's strength from day to day
These things will come, but they too, will pass
Only what's done for God's kingdom - will last.

Don't be discouraged, don't be afraid
For these are the days ahead,

THAT THE LORD HAS MADE.

♥ PROPHECY: CALLING HIS OWN TOGETHER

The Lord is calling His own together in this day to serve Him with a whole heart. Many serve him with only "half a heart" or a small portion of their heart. Jesus is asking us to serve Him with a "whole heart." Serve with all that is within us. Praise the Lord!

Many have lost heart and have "fearful" and fainting hearts because of this world and all its cares. Many are weary of heart. Some are careless at heart and some have angry and hurt hearts; and sadly, some have hearts of stone towards God. There are many embittered hearts - hard and lost hearts - but **God loves them all.**

Today, the Lord wants to step into your heart and change its condition. He'll give you a heart of peace and rest, a heart of love and forgiveness, a heart of mercy and compassion, a heart of understanding and love. He can even touch and change a heart of stone.

He'll take away your fearful heart and give you rest and hope and confidence for your future. **You are in His great heart.**

♥ PROPHECY: I AM YOUR GUIDE

My child, My Spirit dwells in you richly. I am teaching you lessons from life. I am teaching you how to follow the guidance of My Spirit.

When you fall down into sin, I encourage you to pick yourself up, confess your sin, and start over again. I convict your heart that you might not grieve My Holy Spirit by the way you live.

I am closely guarding God's chosen people. I am watching and preparing you all for heavy battle. The battle will be victorious.

I am the Holy Spirit dwelling within. I am your Comforter. I am your Guide. I am there to guide you especially when you ask me to. I will guide you into all truth. My Spirit will confirm in your spirit the truth.

Talk to Me. Give Me all your problems, the times you feel you've failed. I'll take these times and redeem them for God's glory. Seek Me, the Holy Spirit, to teach you Who God is, Who Christ is, and Who I am to you. I am in you and with you always. I'll never leave you.

Listen closely for My voice. I am speaking - obey My voice and grieve not My Holy Spirit.

♥ PROPHECY: PRESS ON - DON'T STOP NOW

Press on into My Spirit, My child. Don't stop now. The battles are victorious as you go forth in My Name. Don't be discouraged.

Remember, you have the Sword of the Spirit, My Word. Read My Word and know My Word so when the battles come, you can fight with power.

I didn't leave you helpless in this world. You have My Sword, My Word, to cut the enemy down. Be ready to fight at any time, but don't fight people. Fight the unseen enemy, Satan, who wishes to destroy and steal and rob from you.

Remember, I overcame Satan on the Cross. Peace, My child, be confident.

I love you,
Your Father

MY CHILD, DON'T LOSE THE MANTLE

My Child, don't lose the mantle I've placed on your capable shoulders. This is the mantle of service. To be a servant is the greatest job in the world.

In I Corinthians 4:2 LB, it says the most important thing that a servant does is that he does just what his Master tells him to do. Jesus is our good Master. We are His good servants. The Lord Himself examines our hearts to see what our service is - the heart motive.

We can't jump to conclusion as to whether someone is a good servant or not. When the Lord comes, He will turn on the light so everyone can see exactly what each one of us is like deep down in our hearts. Then everyone will know why we have been doing the Lord's work. At that time, God will give to each one whatever praise is coming to him.

The Kingdom of God is not just talking. It is living by God's power - day by day. My Child, cultivate a servant's heart - one who serves freely without any payment back with a willing spirit, willing hands, and a willing heart to do God's will.

If you serve mercy, you shall receive mercy. If you serve compassion, you shall receive compassion; but if you serve hard judgments, I wonder if you are coming from God's heart.

I SAW GOD WASH THE WORLD LAST NIGHT

I saw God wash the world last night
With His sweet showers on high.
And then, when morning came I saw
Him hang it out to dry.

He washed each tiny blade of grass
And every trembling tree
He flung His showers against the hill
And swept the billowing sea.

The white rose is a cleaner white
The red rose is more red
Since God washed every fragrant face
And put them all to bed.

There's not a bird, there's not a bee
That wings along the way
But is a cleaner bird and bee
Than it was yesterday.

I saw God wash the world last night
Aah, would He had washed me
As clean of all my dust and dirt
As that old white birch tree.

*As for God,
His way is perfect;
The word of the Lord is tried;
He is a shield to all those who trust in Him.
Psalm 18:30*

*He shall call upon Me,
And I will answer him;
I will be with him in trouble;
I will deliver him and honor him.
Psalm 91:15*

SALVATION PRAYER

Dear Reader,

If you have never experienced the joy and peace of knowing Someone who loves you absolutely unconditionally for yourself, I invite you to know my Jesus. He's the great Prince of Peace and the Lord of lords. Please receive Him into your heart, your life, and whole being.

It's so wonderful to trust Someone and know that He will never leave you nor forsake you. Jesus was born to be our Savior and He didn't come into our world to condemn us, but through Him, we might be saved and be made into a new person. He's the only One I know who can forgive all my sins; and beloved, when He forgives, he forgets - and we start over brand new.

Beloved, just receive His love, His salvation right now.

JUST SAY THIS PRAYER:

Jesus, come into my heart, heal all the hurts and sad experiences. Forgive me for all the times I grieved Your Holy Spirit. I need you, Lord. Come and capture my heart, heal my body, and touch my soul and spirit. Lord, as Your Spirit connects with my spirit, I can let go of all the hurts and bitterness. I forgive all who have used and abused me and I thank You, dear Lord, for forgiving me just at this moment. I'll let go, Lord, just as you told Phyllis to let go in her personal prophecy; and now I'm secure that You are my Lord and I am Your child.

Here's my whole heart, Lord. I know I can trust You with it. Thank You for healing my broken heart, my broken spirit, my broken body. Thank You for taking my hell on that cruel cross

that day you died for me, and thank You for resurrecting me into a new life. Oh, what a joy to have You as my dear, dear Friend and Savior now. Thank You, Lord, I am part of Your family on earth and I've inherited life everlasting and all the attributes of Your nature and character. I love You, Lord Jesus.

DECLARATION OF MY NEW LIFE AND NEW LOVE

Right now, I receive You, Lord Jesus, as my precious Savior:

Name: _____

Date: _____

Right now, I am aware of my Heavenly Father's love and care for me. Right now, I am learning how to be led by the dear Holy Spirit daily. I know I can do all things because the Father, Son and Holy Spirit fill my life.

WHAT I BELIEVE

I believe God gave me the radio and TV media ministries to go out! Go out! Prepare the roadway for God's people to return in power for revival. Pull out the boulders (to me, that means pull down Satan's strongholds through ministry, prophecy, inner healing, and deliverance). Raise the flag (raise the dead in spirit), encourage, comfort, prophesy, and heal. The universal Church flag will be raised victoriously. Tell My people (through TV, radio and video) that God is coming to save them. The message of Salvation on the air will bring people many gifts of His Holy Spirit power.

They shall be called a holy people, the Lord's "redeemed" in the land of desire (Hawaii), a city (Honolulu) that God has blessed.

We must shine out like a little star in God's large heavens and win souls, win souls, win souls. Hearts will be touched and healed by the power of "My Blood and My Spirit", said the Lord.

And those who are wise,
The people of God
Shall shine as brightly as the Son's brilliance.
And these who turn many to righteousness
Will glitter like stars forever in the firmament,
So shine out, little stars...like

OUR BRIGHT AND MORNING STAR, JESUS CHRIST.

ABOUT THE AUTHOR

PHYLLIS RAMIA is well known as a Christian television/radio personality in the Hawaiian Islands for over six years. Her gentle prophetic ministry has touched thousands of lives. She is best known for encouraging women to hear the Voice of the Lord and to rise up and be all that God has destined them to be.

Phyllis loves to "talk story" about her 75 years - of three spiritual generations of the "nuts and bolts" of her lively Pentecostal family. She also recalls the tender moments as being wife for 56 years to Joe Ramia, prominent businessman with Gentry Homes and who built over 1,000 homes while she was blessed to stay home and build their four children. She also talks of her first-born son, David, who left for Heaven at seven.

At age 76, she understands the agonies and ecstasies of life - of the glory-to-the-gory story, and her groaning and growing and sowing prophetic words into a world not quite yet accustomed to a woman prophetess.

Phyllis' main theme is "Always act like a lady and don't bash men, women or denominations- that's totally unlike the Bride of Christ."

Her favorite advice: "Ladies, don't call your husband a Stupid Jerk because that makes you Mrs. Stupid Jerk!"

Phyllis' greatest heart's desire is that we touch the broken-hearted, heal their wounds, highly esteem the men of God in our lives, and work with all people as teammates God intended us to be.

Her greatest joy is being a Messenger Girl for the Lord- receiving God's prophetic word for people and running to give it out. She loves being a WOMAN and being able to speak out words of Life and Resurrection power that will help the Body of Christ mature.
